Gentlemen:

This past Saturday, at the Community Concert in Arlington Heights, IL., I had the pleasure of hearing one of THE MOST delightful performances by an equally delightful young man, Aram Basmadjian. Not only his artistry at the organ, but his clever repartee during the program made the evening memorable. It wasn't just my reaction.... because the entire audience gave Mr. Basmadjian a standing ovation which he richly deserved.

Please do include this truly remarkable young man in your series of concerts for next year. He would be greeted most enthusiastically by all who saw and heard him this past weekend. And, no...I am not related. I just think he's a great talent and want to hear more of his music...not just on tape.

Sincerely,

Lee Wayne
